# Paddock Info

Tent covered areas and space will be provided to all registered riders. Food stands, a café, water, electricity and toilets will be available on-site.

There is available space for own tents if additional paddock space is required. Paddock will be guarded during night time. Access to paddock is through a tunnel with 3 meters max height. Camping with tents or mobile homes in the paddock is not available.

# ACCOMMODATION

## Camping Area

We have reserved a big grass area free of charge for registered riders and their teams at Surfsviken ([Google Map](#)), 1 km south from the race site. This area is suitable for camper cars and trailers and includes electricity and toilets. There is a walk and bicycle road along the shoreline between Surfsviken and the race site.

For heavy and large vehicles you will need to book and pay dedicated space with Surfsviken at [www.Surfsviken.se](http://www.Surfsviken.se) or email [Caroline@surfsviken.se](mailto:Caroline@surfsviken.se) and mention Aquabike/Jetski Race for best rate. These 2 areas are next to each other.

## Parking area for cars and trailers

As parking space is extremely limited at paddock we have reserved a big parking area for cars and trailers 700 meters from the race site. ([Google Map](#))

Additional accommodation options in Stenungsund can be found in this link: ([Click here](#))

# ON ARRIVAL

You can go directly to Surfviken ([Google Map](#)) and park. We provide cars/ATV`s and trailers to move your skis/tents/tools etc from Surfviken to race site.

OR

You can go directly to race site ([Google Map](#)), unload your gear / equipment and then go to Surfviken for camping/parking or the designated car/trailer parking.
